### Detailed Biography:

On separate pages, please provide a detailed biography about the person who you are nominating for consideration into the USQRA Hall of Fame. The nominee's bio should include detailed information about their history and involvement with the sport and USQRA, and can include sport awards received, outstanding achievements, participation on national teams, and anything else that is of importance. Personal information such as education, work, community and/or military service, and family life is welcome as well. When possible, include several photographs of the nominee at various stages of their career. Any biographies received that do not detail the nominee's achievements and/or contributions to the sport and USQRA will be returned and not considered due to a lack of information.
